

Spanish Equivalencies Nebrija Madrid-Princesa Campus

Please note the following information:

- For your pre-approval form, please select the course equivalents you think you're most likely to take.
- After your acceptance from Drexel, Nebrija will ask you to take a placement test prior to your arrival in Spain. If you test into a language level you have already completed at Drexel, instead of receiving exact equivalent credit, you will receive special topics credit.
- Special topics will be assigned according to the course taken i.e. 100 level courses are T180, 200 level courses are T280, 300 level courses T380, etc.
- If you test into the B1 level or higher and you would like Drexel equivalent credit other than Spanish credit you will need to seek approval from the appropriate department head. All approvals must be turned in to sacourseapprovals@drexel.edu or the Study Abroad Office.
